Residential heating oil price increases

The average retail price for home heating oil rose 9-tenths of a cent from a week ago to \$2.64 per gallon. That's up 55 cents from a year ago, based on the residential heating fuel survey by the U.S. Energy Information Administration. Heating oil prices in the New England region were virtually unchanged from last week at \$2.59 per gallon, up 57 cents from a year ago.
